Greater Nottingham Planning Partnership

# Greater Nottingham Strategic Plan Growth Options – Consultation Extension

## Briefing Note

## Background

Broxtowe Borough, Gedling Borough, Nottingham City and Rushcliffe Borough Councils are developing the Greater Nottingham Strategic Plan which sets out the policies to help guide future development up to 2038.

In July 2020, Broxtowe Borough, Gedling Borough, Nottingham City and Rushcliffe Borough Councils carried out a public consultation on the Greater Nottingham Strategic Plan Growth Options document.

The Growth Options document asked a series of questions on topics including housing growth, employment growth and economic development, climate change and carbon neutrality, city and town centres, the natural environment, urban design, the historic environment, safe and healthy communities, Green Belt and infrastructure provision.

We are now extending the consultation period for the reason set out below.

## Consultation Extension

We have been made aware of a technical issue with a small number of comments sent by email which were blocked by security software and not received. This issue only relates to comments sent to the contact@gnplan.org.uk email address. Comments submitted directly online using our consultation system or sent by post were not affected by this issue.

The technical issue has now been resolved but in order to ensure that we receive all comments on the Greater Nottingham Strategic Plan Growth Options document, we are extending the consultation period for an additional 6 weeks.

**The deadline for comments is Wednesday 24th March 2021.**

## What are we asking people to do?

We are asking respondents who submitted comments by email to check a published list at www.gnplan.org.uk to see if their comments have been received and to re-submit comments if their comments are not on the list.

We are encouraging people to submit comments using our consultation system for ease of processing https://gnplan.inconsult.uk/consult.ti/gnspgoe/ . The documents and a downloadable response form can also be viewed via this link.

Comments can also be emailed to contact@gnplan.org.uk or submitted by post to:

Planning Policy and Research Team, Nottingham City Council, Loxley House, Station Street, Nottingham, NG2 3NG

## What are the next steps?

Following completion of the extended consultation period, all of the responses received will be carefully considered and will inform the production of a 'Preferred Options' document. There will be an opportunity to submit comments following the publication of this document later this year.

## How do I find out more information?

If you have any queries in respect of the contents in this briefing note please contact your relevant Council below:

- Broxtowe Borough Council: 0115 917 3452
